Trusteer guarantees a commercial management while Frieur retains the usual management. Types of aircraft (dirty slot in English). Thus, there is the course of your desire or enjoy the privatization of a ship to spend an unique moment with a team at its cost. Accompanied by a stool, our couple Cruzeiro wonderfully and pavement to learn about the majestic crests that populate the sea MÃ © diterranean. We put a point of honor not to disturb wildlife. The Sindical Câma Mara is a member of the "Federation of National Brokers and Ships Agents" (FONASBA), the Maritime Arbitration Câmara de Paris (Camp) and France Maritime Cluster (CFM). At your service is over 27 years old ... our experience allows us to know the main factors of the fulfillment of a marble project. Contact us! Make your experience unforgettable: our priority AMV is a family-owned family business in Villefranche-sur-Mer, whose 4 sir'sis crisscrosses the Sea Sea since 1992. The quality, originality and diversity of activities proposed by the Company bring every year happiness, emotion and wonderfully our facilities as our tourists from all corners of the world. Attentive, as well as the warm welcome of our teams and employees make the renowned company. The AMV team gets on board! Four hours to cover the navy wildlife tour aboard one of our lady to leave the detailed marine foliage. The Retreat Friezer The NEW management of the ship and the feregoer guarantees the commercial management. It is used to carry dry and irregular products and are not suitable for containers. The formation of a regulatory line mobilizes capital Rentely weak enough. For urgent project transport requests, call us +33 4 76 85 50 72 or contact us through the link below. Lamenting at the same time and the coil coil fitness, has a common economic purpose that is the exploration of the ship. Services for all aspects of exceptional transport by boat, including full and partial coamage, consecutive decks based on confinement contracts. The world that our specialists are qualified in all aspects of freight, including project management, planning and execution. We serve a number of inductions and lands. Types of boats in order to provide custom services around the world. Open-hatch is the most basic cargo ship, also called versatile ship - multipurpose ship. We are able to design and realize transportation of transport door on request and our know-how ensures a personalized approach to the Maritime Girl. Cabothes - Cups These are ships, smaller, used â € â € â € â € œximal operations per ports or short routes. The freetor retains the nonutic and commercial management of the ship. Crazy-naked coin (bareboat chart in English) is defined as the contract by which Friezer provides for the reliability a vessel without embarkation or equipment or with incomplete and armament equipment, In exchange for a freight, less than the coamage request. Depending on the needs of the charger, we propose the 3 types of shipments of vessels: the naked hull coaching, the appearance on the journey and the difference in time with the song â "¢ nude Frieur is committed to Of the filter, a ship for a time set without mamming or equipped or with an incomplete team. Notes and Refins See also Bibliography Bibliography Dictionary Grass of Marine, Maritime and Overseas Export Export, Practic Maritime Freight, Editions SMECI Maritime Auxiliary Transportation, CIFP Nantes Related Articles Mar's Gloss Marble Transport External links in neighboring ship contracts that offers: http: // cedricbernat.wordpress.com/2010/03/25/contrats-specialiux-du-commerce-maritime-les-contrats-proces-de-felement transportation portal / Transport Portal Portal Portal Portal Portal Portal This document comes from "https: // en.wikipedia.org/w/index.php? title=affe_(marine) & oldid = 135361694 has". The fear of time that Frieur is committed to providing a ship a ship for a while (several months or even several years). As charter brokers, we communicate directly with our partners to ensure flexibility, low co-ts and fast response time. The charging of the trip ended the placement of the vessel and not your exploitation. It applies mainly to the case of tramping, fashionably used manifestation used for gasoline and bulk trees. And our belonging to the Bimbo (Balletical and International Marine Council), the largest and prestigious marrying organization of the authorized under the number of identification identification 169659 is a guarantee of the quality of our interlocutors. Our teams will offer anecdotes and other stories for the happiness of their ride. All the tours we offer in this page. The shipowners are changing spaces in their respective vessels, re-capture, to the contribution of each one in the consecrio. RO-RO RO RO ROLL ON - ROLL OFF "and is referring to a Loads loading goods on wheels, especially cars or trucks. For homemark items, see cozy. The Administrator, therefore, has no managing and commercial. The ro ros are characterized by a large door on the front or severe (or two houses, according to the vessel), which acts as a ramp through which the load is loaded .. declines in three major types Contract: Frame-Time (Time Charter in English): Defined as the contract by which the Frigats puts the filter array of an armed ship, which is equipped with a complete equipment for a full period for a while The party of the letter, which, in exchange for a freight. He is responsible for the damage suffered by the vessel during his exploitation, but Friezer remains responsible for the damage suffered by the goods due to a initial order of Navillage or a vessel vitance £ o. We work in partnership with many marbles, rigorously selected based on privileged agreements. Heavy transport This is a cargo ship for extremely heavy or large loads, such as specialized or oversized industrial machines. Each recipreling is equivalent to its own contribution within the line consecrio. Crossing Crossing (Swap Slot in English) The cross space is used exclusively by regulatory line armaments, unlike simple space. This led the shipowners to associate with common fleets (regulatory line consecrio); As a result, the risks are alleged, and offers are larger and better walks. We should not confuse the rudeness for the trip and the marry transport contract, the first is a proclaiming material and the second Service ¢; This is different if there are similar. Our marry walks come out of the ordinary, spend a moment at SEA AMV offers the rent of your Syrãs. These boats have ramps and platforms to fix and immobilize all types of vehicles. Semi-submersible A semi-submersible platform is a specialized navy ship, used in offshore reasons, such as heavy drinks and gains, security ships and platform platforms. These ships also have their own cranes. Rent your boat Enjoy one-time time and experience for several hours in the Statutes of Sea Contact and Regulations Internal Council of Sindical Officers, created in 1917, is the only France Organization Recognized "for the defense of the general interests of the aeródromo and industry of commerce marble covering purchase operations, rent or sale vessels held as an intermediary or contractor ..." in exchange for a freight, to provide a ship Armed, maintaining the usual and commercial management.: Receive in this case the merchandise of Trusteer aboard his vessel, he takes place from a marble for another. Print Download Email Multimodal International 14 hours training 1 people 600 hours training 79 people training 14 hours 1 people KBS GuinÃ © Fazenda The boats that match exactly to the needs of the loading. Our approaches are in the greatest respect for the environment, allowing you to offer an authentic show. Cover on this page our different modes and its use. Therefore, you do not have to own the boat license since the rent of Sires includes your equipment. Costa (freight, chartered in English) is the rental of a ship according to a spent copy agreement between the fretter and the framework. These brokers offer a wide range of comprehensive and services in the technical and legal fields as well as financial. To ensure the success of transportation, our own supervisors and portable captains expensive oversee charging, transhipment and debuting. The fear of the trip that Friieur is committed to placing the provision of a filter a specified ship for a trip. They are not adapted to long ocean crosses. The administrator has the non-commercial and commercial management of the ship. Tamors and barges The tugboats are used â € â € â € - to help in a way large vessels in confined areas or when a ship lost power. Barges have a relatively flat loading space. This type of ship has its own cranes to perform loading and load operations for the starting and destination doors. Discover our contact information from the Harbor of Saúde, 06230 Villefranche-sur-Mer, France 04 93 76 65 65 amv.sirenes@wanadoo.fr - Available in the port of SantÃ £ Villefranche Contact us more than 25 years Experience at Cached Storage Reseller, Enjoy the landscape in our Lady, the Boat Pyrotechnie International Festival! Repeat the Azure coast in our Sirists offer that CÃ'tièt ions walks to cover or rescue the d'Azur d'Azur. It rears about 200 brokers at the service of the international international commercial. Example: The ship placed 50% of the space of its vessel to the provision of B and C ships, which they put% of each of the respective spaces The service of A then send it to 25 ° C and 25 ° C (the equivalent of 50% of the processes) and the ship B will be 25% of the vessel space As well as the craft C, which also have 25% of the space of the ship. Some barges are needed to pull because they can not make their own movement. movement.

La Société nationale maritime Corse-Méditerranée (SNCM), anciennement Compagnie générale transméditerranéenne (CGTM), était une compagnie française de navigation maritime, à capitaux publics et privés, assurant notamment des liaisons régulières depuis la France continentale vers la Corse, la Sardaigne, l'Algérie et la Tunisie.La SNCM

assurait le transport des passagers, des ... Exceptionnellement la catégorie "Vocabulaire maritime" est placé en doublons en pied de page, afin d'obtenir un affichage exhaustif dans la rubrique "pages de la catégorie" pour constituer un référencement "dictionnaire". Sous-catégories. Cette catégorie comprend les ...
